

DocBox2Go

Access Your Files Anytime, Anywhere From Any Web Enabled SmartPhone

With DocBox2Go you can access all of your listing, sale and lease files from anywhere and never miss a beat.

Access all of your documents, forms, transaction folders, and contacts with Smartphones such as BlackBerrys and iPhones or any other web enabled Smartphone with an Internet browser. Now there is no need to drive back to the office to access your files—save time and money.

Seller needs to review a document?

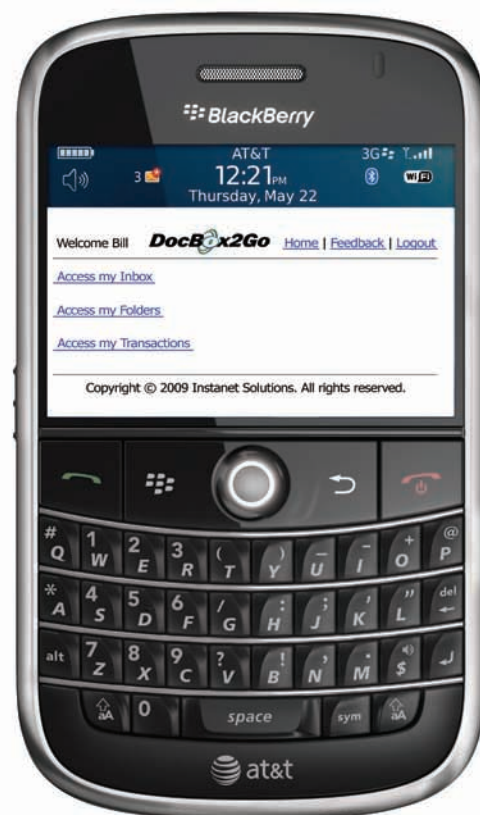

Simply open their file in DocBox2Go, click on the document, and email or fax it right from your phone.

Need to contact someone in your transaction but can't remember their number or email?

Open DocBox2Go and you'll be able to find them quickly and contact them right from the program.

Buyer wants to look at a contract?

Open the document and email or fax it in seconds.

DocBox2Go FAQ

What is DocBox2Go?

DocBox2Go gives you mobile access to all of your files in DocBox and TransactionDesk, including InstantForms saved in transactions. DocBox2Go gives you access Transaction files, your InBox and MyFolders. Documents and Forms can be viewed, emailed and faxed from your mobile device.

How much does it cost?

It's free with your DocBox account. **If you have this flier, your association, MLS or brokerage is most likely already providing this subscription to you.

When is it available?

Now! Login and start taking advantage of this valuable service today!

Will it work on my mobile device?

DocBox2Go is mobile browser based and does not require installation or downloads. DocBox2Go is not device specific – it will work on Blackberrys, Windows Smartphones, iPhones and virtually any other Smartphone/PDA with a mobile browser.

Do I need a separate fax account to fax from DocBox2Go?

No, unlimited outbound faxing is included with DocBox2Go. **

What do I need to do to set-up my account?

Simply login to your main computer based account – You may know the service as InstantForms, DocBox or TransactionDesk. Go to the Settings tab and navigate to Preferences and then User Information to set your password. Then navigate to docbox2go.com on your mobile device and login.

For more detailed information, please access our user guide at www.instanetsolutions.com/docbox2go/help or watch our recorded webinar at www.instanetsolutions.com/docbox2go/webinar.

**All DocBox2Go users must have access to a DocBox account with unlimited storage and faxing.
